# WHO WE ARE?

IOES is envisioned as a chain of professionally managed organization providing solutions to students aspiring to study abroad and settlement solutions for immigration. IOES, a well-established company, located in Dwarka, embarked its exciting journey in 2019 in the provision of advice and assistance surrounding overseas tertiary education services. It aids students in provision of counselling services and students in realizing their dreams of gaining entry into leading overseas tertiary education institutions. IOES supports Indian and South Asian students to ensure that they have the right fit for their academic abilities and personal circumstances, while also meeting the institution's rigorous academic standards and English language skills expectations.

IOES promotes healthy learning environment that enables students to aspire for globally recognized overseas education. The team of IOES is highly qualified and certified that provides the students services such as preparation of IELTS, PTE, building Statement of Purpose (SOP) and Resume etc.

IOES is led by Mr. Varun Gupta who is the Country Head with 20+ years of student rich experience in managing western visa issuance processes as well as having represented top tier Australian tertiary institutions in India.

# WHY CHOOSE IOES?

## STUDY ABROAD EXPERTS

### Education Counseling

Our proficient counselors provide personalized counseling to each student, to help students make the right choice of program which helps them achieve their career objectives.

### Selection of Course, Country and University

There are a vast number of colleges and universities across the world. We help students in choosing the right country, the right University/College and the right program to help them advance their career objectives.

### Extensive Profiling

We make use of advanced tools to profile all our students on the basis of various parameters like budget constraints, academic portfolios and individual language skills among others.

### Admission Process

We assess the profile of the student and then suggest the course options based on the student's profile. We completely provide end to end solution, assist the students and complete their admission process.
